NOTICE

Date: 15.11.2021

Serampore College will re-open for offline classes on 16th November, 2021. The college has already initiated cleaning, sanitizing of college campus in compliance with the Government notification dated 28.10.2021 (Memo No. 1058 – Edn (CS)/ 10 M-32/2021) so that the teaching-learning process in the offline mode can be made smoother from day one of the opening of the college. All safety protocols as available in the guidelines issued by the state government are followed so that proper safety standards are ensured.

The resumption of offline classes shall be done in a phased manner and students of separate semesters may be divided to form separate batches in compliance with the Covid safety norms. Considering the fact that a large portion of the students are going to arrive via public vehicles from many places and many of them are not yet vaccinated (fully/partially) such steps are taken. However, the blended modes of offline /online classes are kept effective so that dissemination of knowledge does not suffer. Sanitization, thermal check-up (at the gates), isolation room, disposable masks distribution, having health experts are some of the important measures taken so that health and education facilities can run uninterrupted in the college during offline classes.

1. All PG departments are permitted to arrange their respective timetables for offline and online classes as both forms are permitted.
2. UG Hons students of all semesters are to attend offline Honours classes held at the college by remaining physically present maintaining Covid safety norms as per the schedule provided.
3. Semester V General Students shall have offline general classes on day/s of the week and other classes shall be held online as per instructions of the concerned departments.
4. All Semester-V General students shall attend their theory classes of General subjects on Friday of every week. Semester-5 and Semester-3 general practical classes shall be held offline as per requirements of the concerned departments.
5. Semester-I General Classes shall be held in the online mode until further notification.
6. Semester - III General Theoretical Classes will be held in the online mode until further notification.
