

Date: 12<sup>th</sup> June, 2023

## ***SERAMPORE COLLEGE***

### **Notice**

#### ***Add-on Course on: Dietetics***

Serampore College is pleased to announce a **30-hour value-added course on 'Dietetics' for all the students of Serampore College**. This course by the Department of Physiology, Serampore College in collaboration with the National Service Scheme, Serampore College is scheduled to be held from 21<sup>st</sup> June 2023 to 30<sup>th</sup> June 2023. The value-oriented course aims to provide students with an in-depth understanding of dietetics, including the principles of nutrition and diet planning. This course is designed to provide interested students with a comprehensive overview of the principles of dietetics and their practical applications in everyday life. The enrollment deadline for this value-oriented course is on or before 17<sup>th</sup> June 2023.

Students who wish to participate in this course can contact Dr. Anadi Roy Chowdhury, the convener of the program, at his contact number: 8910304140. This course offers a unique opportunity for students to learn about dietetics from experienced professionals in the field. Students who are looking to expand their knowledge and skills in the field of dietetics should take advantage of this opportunity and enroll themselves as soon as possible as seats are limited. There is no course fee.

#### **About the Course:**

The Add-on Course on 'Dietetics' is designed to equip students with the skills and knowledge needed to become a dietitian. Through in this course, students will gain an understanding of the scientific principles behind nutrition, food choices, and the promotion of healthy lifestyle habits. Our goal is to produce skilled students who can improve the health and wellness of individuals and communities.
